Metropolitan Museum of Art-:

Gentlemen-  
If you know of any-  
one who collects rare (or at least  
old) coins, will you be so kind  
as to furnish me with that  
person's or more than one  
person's name and address?  
We have quite a number of  
old coins which I partly

cleaned one of, recently, and  
it appears to have the word  
'Constant' around one side of  
the edge.

If this is correct and it means  
Constantine The Great who was  
born in the year 272, it is  
surely old, tho not necessarily  
rare I realize, but we have  
quite a few others.

I did not know where to ask  
for such names but suppose  
you come into contact with  
so many people you might  
know someone who would

be as pleased to hear of us,  
as we would to hear of them,  
and would appreciate you  
letting them know as I thank  
you whether or not you are  
able or at liberty to grant  
my request.

I am very sincerely  
Mrs. J. Sidney Bessent.
